# Dr. VaLentine

Creator • Executive Producer • Television Host • Business Professor  
Doctor of Management | Television Personality | Speaker | HR Executive

“ I create conversations that inspire growth, strengthen relationships, and empower people to live and lead with purpose. ”

## ABOUT DR. VALENTINE

Dr. VaLentine is the Creator, Executive Producer, and Host of From The Heart with Dr. VaLentine, an interview series dedicated to authentic conversations exploring love, relationships, faith, emotional intelligence, and personal growth.

A Doctor of Management, University Business Professor, and Human Resources Executive with more than 20 years of leadership experience. Dr. VaLentine bridges business expertise with real-life experience and compelling storytelling to educate, inspire, and empower audiences across digital and television platforms.

He is also a television personality known for his role on the international hit series 90 Day Fiancé, where audiences were given an inside look at his life, relationships, and journey.

## CREATOR. CONVERSATIONALIST. CHANGE MAKER.
